“ Lisa & the boys, I am so sorry for your loss. Billie was one of the sweetest, kindest, most loving people that I know. I have known her since I was a little girl & I always thought of her as my Aunt. I can never tell you how much it meant to me & my family to have her be a part of it. Our lives were richer because Billie was in it. Her care, concern, & friendship with my Aunt Dody through the years was undying & I could never repay her for all that she did for her. Or for my family when we would visit. Many, many hours of laughter. So many memories. I will always remember her & her smile. And I will always be grateful to have had the chance to know her & to love her. Lisa, Brad, Sean, & Jordan, she loved you more than life itself. Always remember that. Her love would shine through her eyes when she spoke of any of you. You were her purpose in life & it showed every time she said or heard your names. Cherish every memory you have of her. She was truly a special soul & her love will always be with you. I'm sorry I cannot make it to TN for her services. It hurts my heart to not be there. Please know you are all in my thoughts & prayers during this time of sorrow.

“ Lisa, Kevin and Family: I first met your mom when she became roommates with my cousin, Judy . She came with Judy to Akron many times to visit and she became a member of our family up here. When I would visit Oak Ridge on Pocono, she was always ready to fix a meal and to make you feel so at home. We had many, many laughs and good times. And there was the time when we all went up to Gatlinburg and due to a slight accident Judy had, spent the entire ride back to Oak Ridge laughing until we cried. She will always have a special place in my heart as I think about the excellent care she took of Judy before Judy moved back to Ohio. She truly went above and beyond. She loved you all so much and was so proud of her family. Take comfort in knowing how much she was loved by all that came in contact with her. God bless.

“ We are so sorry for your loss. I know the impact this has been for you and your family. Billie was the most loving, caring & giving person that we knew. We appreciate everything she & your family has done for Judy. I don't know if we'll ever meet anyone that can compare to Billie. We had a lot of good times & laughs when we came yo visit. She will be missed by many.
