“ My name is Helen Gallagher McCaffrey and I was named after Aunt Helen. I loved her so much as did all of her nieces and nephews. I had a wonderful visit with her on December 28 and 29 when I was in Atlanta visiting my son and family and cried almost all the way back to Atlanta from Oakridge. I felt I would probably never see her again. I wish I could have stayed longer in Atlanta and then gone back to Oakridge for her service, but it was just not possible. She was so much like my father George and she said I reminded her of him, so i guess I was a little like her as well. She will be greatly missed, but she will always be in my heart and I pray to her every day.

“ So sad to learn of Mrs. Sharpe's passing. She and her husband taught us "Round Dancing" way back in the 70's. They were also long time neighbors on East Drive. It's always a mournful time to lose neighbors you have known through the years. I'm sure this kind lady will be missed by her family and friends for many years to come.
Take comfort in our loving Lord, rest in peace.

“ Thank you for the time we spent together in conversation, visits, and letters. You made me laugh. We prayed together, played together, and shared wonderful stories. I miss you so very much. You are my treasure! Say hello to everyone in heaven and pray for us as we pray for all of you!

Love,
