“ Dear Friend, How shocked and saddened I was to have been calling for the past month and not hear back from you. I knew something was wrong. I met you when we worked at ORAU and that was 30 years ago. We raised our kids together. You with Christina and J.R. and Me with my Daughter Gabriella. We would talk endlessly about Mrs. Lullie and your Dad and his trips to Alaska and me becoming a Grandmother. I so wanted to share that my daughter is getting married in February and expecting again. You have been a dear, dear friend and will be so terribly missed. I will never have another friend like you who always was there to listen as I hope I was there for you. You will be sorely missed and I will always love you. To the family I share in your grief and wish I could be there at this time, however I just moved back to TN from Richmond,VA and will not be able to do so but you are in my heart and prayers. God Bless Your soul and you will be forever remembered in my heart. I love you my dear friend. RIP!!!

“ Christina, sorry for the loss of your mother. But now you have two angles looking down on you smiling whom I am sure is very proud of you. You and your family will be in my prayers to help you through the days ahead.

“ Marcy was one of my closest friends. She and I first met at work (ORAU) in the late eighties and have been dear friends ever since. She was funny, witty and loved to travel. She and I took several trips together including cruises to the Bahama's and Hawaii. I will always remember how she loved her children and loved life. Thank you Lord for allowing me to know Marcy and to call her a friend. My thoughts and prayers are with her family.

"Girlfriend" you will be thought of often and will truly be missed.
