“ My condolences to the family. Oveda worked at the NOAA lab (ATDD) in Oak Ridge for a number of years. I remember her as a very pleasant lady - a nice person. I am sorry for your loss.

“ Prior to the pandemic/quarantine, Janet was at her mother's care facility many times a day providing her mom with the best care possible. I had never witnessed such a devoted daughter! Oveda was loved greatly. I will miss her beautiful smile.
