“ I remember Patsy well. We were not close, but she was very close to another friend, Patsy Castleman Dye. She was very smart and I always wondered where life took her. I could easily imagine her as CIA or some kind of operative for the government. RIP, Patsy!

“ I just recently learned about the passing of ORHS '59 classmate Patsy Jackson. I am very sorry for your loss. I didn't know her well but was in a couple of her classes. I mostly remember her being upbeat, having a nice laugh and great smile. Rest in peace, Patsy.
