“ I like tearing had never done anything to me we both were Yankees and stuff cut up all that stuff and he was like it. And I just hate it that his siblings treated my friend that was there for him is it in like she was a piece of crap and I don't care to say that or not cuz I'm blunt my friend loved and cared about you a lot and you guys just come in and take over and then whatever the hell you wanted to do and didn't bother to ask her anyting you guys could not even tell her where he was what do you mean that's pretty rude since you guys more or less had to be in control but you guys didn't take care of them didn't give a s*** about him or anything just maybe if you could get something out of it but who was there helping him dream you know stuff like that things that mattered you know I'm a Yankee too and I'm a damn polite too but I sure as hell wasn't raised like you guys were and I think you guys on Melissa and her family and every her friends that all accepted Terry because he was a good guy if you ain't happy with this message well the truth hurts sometimes and I just go ahead and give you my name it's Stacy stopera
