“ Words can not express how I feel. You always made me smile and most of all... laugh. We could laugh for hours and just act silly. I will miss that forever. I'm glad you are at peace now. I will miss terribly, always.

“ I remember meeting Willie at one of Tony DiLissios picnics and later introducing Colleen to him. I could see the two of them really connected. Willie always had a smile on his face and was willing to help whenever he could. He held his family dear to his heart and cherished his friends. Always asking how we were and smiling, even though things were difficult in his world. He is at peace now and no longer in pain. We will truly miss him. God rest your soul. The Louden Family.

“ Willy and I were friends way back in the day. Elementary school and junior High. I remember taking the Chester ferry to go to Lake Garrison with is real mother,Lilian. We grew up down the street from each other. Him on Armstrong Ave and I on Brighton terrace in Secane. He lived with his foster parents (The Healons). I wish you could have seen the minibike we made with a chopper front end and hooked up a generator light off the front wheel to drive around at night,we were the coolest guy around town.I remember driving around with his brother Raymond.and Kathy. We would goto McCillvain Ave,Chester ,that's where hisl 2 sisters and his mother lived..Kathy who had a little son David . Charlotte was his other sister.We always managed to get in trouble together. I graduated with Colleen's brother Dan in 1977. I wish Willy and I kept in touch after High School. I heard that he bought Randy's house in 6th ave. park. The many times that we played in that park as kids. God Bless you Willy, You will be sadly missed my brother/friend . Bob Burrell Your are in my prayers Willy
